ACTION for : mis
FILE No. 3140/1911-12
ITEM No. 8

To

K. R. Srinivasa Iyengar, Esquire, M. A.,
Secretary to the Government,
General and Revenue Departments,
B A N G A L O R E.

Sir,

We, the Secretaries to the Cosmopolitan Club at Bangalore, have been directed by the General Body of Members to lay the following representation before the Government of His Highness the Maharaja of Mysore for their favourable consideration and kind orders.

Being a long standing Institution at Bangalore, the Club has done much useful work in the past in the direction of -- instruction and diffusion of useful knowledge. It could have done more, had the Club not been handicapped principally by the want of a suitable building of its own. With the view of promoting the utility of the Institution by enlarging the Library and other means, the members have decided to take practical - action on the following lines:-

(a) To register the Club under Section 18 of the Societies Registration Regulation III of 1904.

(b) To raise the money needed for constructing and fitting

fitting a suitable building by means of raising Debenture loans from among the - members the value of each debenture being Rs.100/- and the rate of interest payable 4 per cent per year.

Already several applications for debentures have been received and the Club hopes to be able to raise Rs.22,000/- in this manner for meeting the cost of the main building and the out-houses as per plan prepared by the D.P.W.

3. The Club having been located almost from its commencement in a rented building in or adjecent to the Cubbon Park, there is a general desire among the members that a suitable site for - constructing the building should be secured in the Cubbon Park itself through the generosity of His Highness' Government. Any other situation would further not be equally convenient to the residents of both the City and Civil and Military Station. We are, therefore, directed to request that His Highness' Government may be graciously pleased to grant, free of cost, a proper site in the Cubbon Park for the purpose of constructing the building subject to the following conditions:-

(1) A suitable building will be put up within one year from the date of the delivery of possession of the site.

(ii) The approval of Government will be taken to the plan and design of the building and the out-houses.

4. The accompanying provisional plan provides for only one floor, but the members consider that the addition of a first floor would greatly enhance the beauty of the surroundings in the Cubbon Park. The Club, will however, be unable to find funds for the first floor and we are therefore, asked to solicit a generous contribution from the Government on terms similar to the following:-

(i) The floor to be built out of funds contributed by the Government according to the plan and design approved by them.

(ii) This is to be the property of Government and reserved for entertaining distinguished guests of the Durbar.

(iii) The Club to have the use of the second floor when not required by the Government.

(iv) The Government to have the option of purchasing the whole building at a valuation to be fixed by them if the Club should cease to exist.

(v) As a Contributor, Government to have the privilege of giving or refusing consent to a proposed dissolution of the Club under Section 14 of the Societies Regulation.

(vi) The Club to be responsible for reasonably guarding the second floor and the properties therein during its use

by

by the members.

5. We solicit the favour of early orders on the two requests referred to above.

We beg to remain,

Sir,

Your most obedient servants,

BANGALORE.

25/26 June 1913.

Secretaries.
